- **Optimal cooking results:** High-quality ceramic coating for better performance.
- **Optimal heat control:** Fast heating, even distribution & long-lasting heat retention.
- **Durable protection:** Premium finish & sturdy feet prevent damage for long-term use.
- **Easy to clean:** Advanced coating ensures effortless cleaning.

Dimensions (mm)

Width (mm)	240
Depth (mm)	415
Height (mm)	56

Specifications

Compatibility	Induction hob
Material	Cast aluminum with ceramic coating
Number of handles	2
Weight (kg)	2,4

Cleaning

Hot water and a little washing-up liquid will suffice for cleaning the teppanyaki plate using a soft brush or non-abrasive sponge.

The teppanyaki plate is dishwasher-safe, but cleaning agents can possibly dull the ceramic coating layer from the teppanyaki plate. We recommend cleaning the teppanyaki plate by hand to extend its lifespan.
