

**Delicate glasses are in good hands with this dishwasher**

Even powerful dishwashers need to handle glassware gently. Luckily the upper basket in this dishwasher has 7000 SoftGrips and SoftSpikes® that securely hold your glasses and make sure they don't get scratched or break.

**Product Benefits & Features**

**Dedicated protection for your delicate glasses**

Delicate glasses need special care. The upper basket in this dishwasher has soft rubber spikes to support and protect glasses. The SoftSpikes® stabilise your glasses and mugs, preventing them from falling over and possibly breaking.

**The uncomplicated way to responsible dishwashing**

Responsible choices made easy. Use the QuickSelect touchscreen slider to select your preferred cycle time and the Ecometer guides you to the most sustainable program to save energy and water through visually green bars.

**SatelliteClean®. Powerful dishwashing. Without using extra water**

Even closely stacked or larger dishes receive deep cleaning with SatelliteClean®. The innovative spray arm guarantees corner-to-corner cleaning. With up to 3x better spray coverage providing stunning results across every surface.

**Water reaches every corner. With the Dual Spray Arms**

Ensure maximum water coverage with two spray arms. The rotating sprinklers send water jets into every corner of both the lower and upper basket, for dishwashing results you can rely on.

**Space where you need it: Height-adjustable upper basket**

Easily create more space at the top or bottom with the height-adjustable upper basket. Simply grab the handle on both sides of the upper basket and slightly pull up to raise or lower either side or both sides.

- AirDry: The door opens automatically after the drying phase, ensuring dishes are perfectly dry every time.
- SatelliteClean®: Spray arm provides up to 3x better coverage for thorough cleaning.
- Sensor: Detects the level of dirt and adjusts the time, water and energy consumption.
- Delay start: Up to 24 hours.
- Indicator: Time remaining display.
- Upper basket: Height adjustable for extra flexibility.
- QuickSelect: Digital touch slider.
- Inverter motor: Yes
- Touch control.
- XtraPower option: Extra cleaning power for heavily soiled dishes.
