

ComfortLift®: Effortless loading. Exceptional results

ComfortLift® raises a fully loaded basket 25cm for quicker, easier loading and unloading. As you pull out the lower basket, specially designed hinges smoothly bring it up to the same level as the upper basket.

Product Benefits & Features

Lifts gentle to a new level

This world-leading ComfortLift® gently lifts the lower dishwasher rack up to a comfortable height. For easy loading and unloading. Elevating dishwashing to a whole new level.

The uncomplicated way to easy cleaning

QuickSelect: Guides you to save water and energy
Description: Use the QuickSelect touchscreen slider to select your preferred cycle time. The display reflects the energy and water levels per program through visually green bars.

QuickSelect with Wi-Fi: Smart remote dishwashing

Our QuickSelect dishwashers enable smart dishwashing. Get guidance on the right programme based on load, time and soil level. Schedule washing to reduce energy costs. The app summarises usage and offers insights into water and energy use.

At-a-glance check

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and

More Visibility, More Efficient Loading

Instantly see the racks and configurations in your dishwasher courtesy of the interior light. With increased visibility, you can see where best to place your items more efficiently and effortlessly, meaning you can load everything away in one seamless process.

- Sensor: Detects the level of dirt and adjusts the time, water and energy consumption.
- 4 temperature settings
