

## Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 65/2014"

|                                                                                                              |
|--------------------------------------------------------------------------------------------------------------|
| Trade mark: Siemens                                                                                          |
| Model Identifier: LC87KFN60B                                                                                 |
| Annual Energy Consumption: 31.7 kWh/a                                                                        |
| Energy Efficiency class: A+                                                                                  |
| Fluid Dynamic Efficiency: 37.1                                                                               |
| Fluid Dynamic Efficiency class: A                                                                            |
| Lighting Efficiency: 69.7 lux/Watt                                                                           |
| Lighting Efficiency class: A                                                                                 |
| Grease Filtering Efficiency: 75.8 %                                                                          |
| Grease Filtering Efficiency class: C                                                                         |
| Air flow at minimum / maximum speed in normal use: 223.2 m³/h / 431 m³/h                                     |
| Air flow at intensive or boost setting: 768 m³/h                                                             |
| Airborne acoustical A-weighted sound power emissions at minimum / maximum speed in normal use: 39 dB / 56 dB |
| Airborne acoustical A-weighted sound power emissions at intensive or boost setting: 68 dB                    |
| Power Consumption in off mode: - W                                                                           |
| Power Consumption in standby mode: 0.28 W                                                                    |

Manufactured by <BSH Legal Name> under Trademark License of Siemens AG

## Information for domestic range hoods (EU) No. 66/2014

|                                                                                                                                                                 |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Model Identifier: LC87KFN60B                                                                                                                                    |
| Annual Energy Consumption : 31.7 kWh/a                                                                                                                          |
| Time increase factor : 0.7                                                                                                                                      |
| Fluid Dynamic Efficiency : 37.1                                                                                                                                 |
| Energy Efficiency Index : 41.5                                                                                                                                  |
| Measured air pressure at best efficiency point : 353 Pa                                                                                                         |
| Maximum air flow : 768 m³/h                                                                                                                                     |
| Measured electric power input at best efficiency point : 103.9 W                                                                                                |
| Nominal power of the lighting system : 7.1 W                                                                                                                    |
| Average illumination of the lighting system on the cooking surface : 502 lux                                                                                    |
| Measured power consumption in standby mode : 0.28 W                                                                                                             |
| Measured power consumption off mode : - W                                                                                                                       |
| Sound power level : 56 dB                                                                                                                                       |
| Short title or reference to the measurement and calculation methods used to establish compliance with the above requirements: EN 61591, EN 60704-2-13, EN 50564 |
