

Vacuum sealer with TFT display for sous-vide cooking at home.
 The Vacuum Sealer enables you to enjoy sous-vide cooking at home, marinade food faster and prepare cold-water infusions. Perfectly master the techniques of professional chefs. Touchscreen TFT display for simplified navigation of features.

Product Benefits & Features

Professional sous vide cooking at home

Professional chefs cook using the sous-vide technique. This vacuum sealer enables you to use the same professional technique to achieve restaurant-quality results at home.

Responsive TFT display for intuitive guidance

The responsive touch-screen TFT display gives you intuitive access to the different features of the vacuum sealer for perfect results.

Fast marinating for better taste with vacuum sealer

Accelerate deliciousness: Maximise contact between food and marinade by using the vacuum sealer when marinating food.

Sustainable sous-vide with the re-usable glass jar

Practice a more sustainable way of cooking with sous-vide, using a glass jar that you can put directly in the fridge after cooking and also reuse for the next delicious meal.

For extracting flavours by soaking ingredients in liquid.

Get the best desired flavour intensity with infusion function and enjoy the oils, vinegars, and cold brew coffee.

- Push Pull
- Functions: Adjustable sealing time, Clean shells, Containers, Dehydrate, External Vacuum, Favourites, Infuse, Marinate, Oil Maintenance, Pickle, Recents, Seal, Tenderise, Vacuum seal

Product Specification

Functions	Adjustable sealing time, Clean shells, Containers, Dehydrate, External Vacuum, Favourites, Infuse, Marinate, Oil Maintenance, Pickle, Recents, Seal, Tenderise, Vacuum seal
Main Colour	Matt Black
Usable Capacity (L)	8
Vacuum Pump Power (m ³ /h)	4
Max Bag Dimensions (mm) (HxW)	350x250
Built-in Dimensions (mm) (HxWxD)	139x560x510
Voltage (V)	220/240
Product Number (PNC)	KR Open
Dimensions (mm) (HxWxD)	139x596x510
Control Type	Touch
Display Colour	White
Type of handle	None - Push Pull
Plug or Hardwired	Uk Moulded Plug
Total Electricity Loading (W)	400
Net Weight (Kg)	32.575
Gross Weight (Kg)	38.81
