

Showcase your wine. With style

8000 Perfect Shelving showcases your wine collection with extendable, premium wood shelving. Designed with optimal spacing to accommodate all main 750ml bottles, including your favourite Champagne, without scratching their labels.

Product Benefits & Features

Showcase your collection. With Perfect Shelving

You've built an exemplary wine collection. So, accentuate it with Perfect Shelving. Showcase your collection with shelving designed with ideal spacing to accommodate all main 750ml bottles, including Champagne, without scratching the labels.

Optimal temperatures. With Dual-Zone Pro

Dual-Zone Pro comes with two independent compartments that can be set individually to keep your wines at optimal serving temperatures: 6–12C for white wines or sparkling and 14–20C for reds. Or, set one zone between 12–14C for cellaring.

Protect your wines with Cellar Pro 5 Fundamentals

Create the ideal conditions to preserve your wines and allow them to mature steadily with our Cellar Pro 5 Fundamentals: stable temperature, high humidity, UV- free dark storage area, quality airflow, and no vibrations
